RESOLUTION NO. 02-04-060 -A

REQUESTING THE MUNICIPAL MAYOR TO ALLOCATE THE AMOUNT OF THREE HUNDRED THOUSAND PESOS (PHP300,000.00) TO BE USED FOR THE FEED MILL SET-UP FOR THE INTEGRATED BACKYARD HOG RAISERS AT THE MUNICIPALITY OF BULALACAO, THIS PROVINCE

"WHEREAS, raising hogs is very popular in the countryside and is almost individually pursued as a means of livelihood that once fully effected, a monetized rural sector can be greatly expected;

"WHEREAS, at present the earnings of backyard operators are marginal due to high cost of feeds which constitute 70% of the total production, inferior animal pedigree, costly maintenance of growing stocks as well as ill-advised and dated cultural management practices;

"WHEREAS, this predicament can be practically resolved through an Integrated Feed Mill Set-up which would enhance productivity and quality output through breed upgrading and availability and sufficiently supply of premium feeds cheaper than commercial feeds out in the market today;

"WHEREAS, through this Integrated Feed Mill Set-up, backyard operators are assured of increased income from the business and a major factor creating the demand for feed crops such as corn, soybeans, cassava and rice geared towards the social and economic upliftment of the rural folks; Now, therefore, be it
