“WHEREAS, according to information, the daily consumption of electricity of the Province of Oriental Mindoro is 41 MW to meet the fundamental demands of the consumer;

“WHEREAS, a base load is the minimum level of electricity demand required over a period of 24 hours. It is needed to provide power to components that keep running at all times, also referred to as continuous load. Peak load is the time of high demand. These peaking demands are often for only shorter durations.

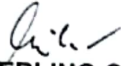

“WHEREAS, in consideration of the above premises, a base load is an important requirement for interested bidders to ensure that if declared winner as energy provider, they should be able to supply the daily electricity consumptions of consumers without interruptions; **Now, therefore, be it**

RESOLVED AS IT IS HEREBY RESOLVED To: Request Oriental Mindoro Electric Cooperative (ORMECO) to require interested bidder that a base load of at least one half of the 41 MW Guaranteed Dependable Capacity Power Supply be available and sufficiently supplied if declared winner as Contractor;

ON MOTION of SB Member Jess V. Sapungan and SB Member Ederlino C. Aceron duly seconded by all members present, foregoing was...
