RESOLUTION NO. 20-07-350

REQUESTING THE DEPARTMENT OF AGRICULTURE AND THE ORIENTAL MINDORO PROVINCIAL AGRICULTURE OFFICE TO EXTEND THE NECESSARY ASSISTANCE AND INTERVENTION IN INTENSIFYING CASHEW AND CASSAVA FARMING IN BARANGAY SAN ISIDRO, BULALACAO, ORIENTAL MINDORO

"WHEREAS, cassava can grow on a wide range of soils but is best adapted to well-drained, light-textured, deep soils of intermediate fertility. The crop is generally produced in marginal areas with poor soil fertility and with high risk of drought because of its high tolerance to these two factors;

"WHEREAS, similar to cassava, cashew or kasoy in Tagalog can grow successfully in areas with a very distinct dry season and even with poor soil fertility;

"WHEREAS, since cassava and cashew grow in a similar weather condition and soil texture, cassava may be planted between rows of cashew to enable farmers to earn additional income;

"WHEREAS, Barangay San Isidro, Bulalacao, Oriental Mindoro has a climate of a long dry season where the annual rain fall is as low as 50 cm., the soil texture is not so fertile because of its mountainous and rugged terrain which is suitable for growing cashew and cassava;

2nd page of Res. No. ...
"WHEREAS, large production of cashew and cassava in Barangay San Isidro will provide farmers earn additional income for the family and help them gain access to trainings and the funds and assistance needed to grow their business by connecting them to financial institutions and setting up savings group towards mutual understanding and economic development; Now, therefore, be it

RESOLVED AS IT IS HEREBY RESOLVED, To: Request the Department of Agriculture and the Oriental Mindoro Provincial Agriculture Office to extend the necessary assistance and intervention in intensifying cashew and cassava farming in Barangay San Isidro, Bulalacao, Oriental Mindoro;

ON MOTION of SB Member German S. Acosta, SB Member Kieven E. Cantos, SB Member Dennes M. Faner and SB Member Dexter G. Gonzales duly seconded by SB Member Edezer F. Acheron, foregoing was...
