" RESOLUTION NO. 99-06-125

REQUESTING ENGR. LUIS C. CAFE, PROVINCIAL IRRIGATION OFFICER, NATIONAL IRRIGATION ADMINISTRATION, CALAPAN CITY TO GRANT 10 UNITS OF SHALLOW TUBE WELLS TO QUALIFIED MARGINAL FARMERS OF THE MUNICIPALITY OF BULALACAO, PROVINCE OF ORIENTAL MINDORO

"WHEREAS, the provision of shallow tube wells by the Department of Agriculture to the marginal farmers of this Municipality last year proved to be beneficial for it helped overcome the problem of the deficiency in water supply due to the absence of an effective irrigation system;

"WHEREAS, sufficient water supply for the production of rice, garlic, vegetables and other varieties of cash crops is the most important factor for the increased farmers yield in the previous years;

"WHEREAS, considering the positive results of the availability of shallow tube wells, additional units are absolutely necessary especially this summer season when water becomes too scarce which cause reduction in the production of garlic in this Municipality;

"WHEREAS, it is learned that the National Irrigation Administration has on its hands several units of shallow tube wells which are ready for distribution; Now, therefore, be it

RESOLVED AS IT IS HEREBY RESOLVED; To: Request Engr. Luis C. Cafe, Provincial Irrigation Officer, National Irrigation Administration, Calapan City to grant 10 units of shallow tube wells to qualified marginal farmers of the Municipality of Bulalacao, Province of Oriental Mindoro;
