RESOLUTION NO. 10-12-118

RESOLUTION EXPRESSING INTEREST AND SUPPORT OF THE MUNICIPALITY OF BULALACAO, PROVINCE OF ORIENTAL MINDORO TO RESOURCES PIONEERS, INC. TO DEVELOP WIND AND SOLAR POWER FARMS AT THIS MUNICIPALITY

“WHEREAS, based on a resource assessment report from the Department of Energy, the Island of Mindoro including the Municipality of Bulalacao possesses abundant indigenous renewable energy resources such as wind and solar where studies have indicated an average wind speed of 7 meters per second and has a potential to start with Wind and Solar Power Farm and still have the capability to increase as the power demand requires;

“WHEREAS, taking into consideration the geographical location of the Municipality of Bulalacao wherein its fifteen component barangays are separated by either high mountain ranges and wide sea water, those far-flung barangays are still devoid of electrical power for them to enjoy the comfort and convenience brought by electrical fixtures and appliances;

“WHEREAS, in anticipation of a possible shortage in power in the years to come due to aging power generating stations and an increasing demand for electrical supply, the development of a Renewable Energy such as that of a Wind and Solar Powers shall be the best strategy to ensure for stable and continuous supply of electrical power at the countryside ; Now, therefore, be it
