"WHEREAS, a farm to market road or ranch to market road is one that connects rural or agricultural areas to market towns. These are better quality roads, usually a highway that farmers and food growers use to transport products to market or to distribution centers;

"WHEREAS, roads are of vital importance in order to make a nation grow and develop. It provides access to employment, social, health and education services which makes a road network crucial in fighting against poverty. Roads open up more areas and stimulate economic and social development;

"WHEREAS, the construction of roads in Barangay San Roque is important to address insurgency problem in the area because road networks move away the rebel groups for it limits their violent activities; **Now, therefore, be it**
