“WHEREAS, the Municipality of Bulalacao is on its way to being an agro-eco-tourism destination in the Province of Oriental Mindoro that collaborative hard works from both government and private sectors are applied and gathered together to deliver the best positive outcome, it is situated in the southeast point of the Island of Mindoro and northwest of Bulalacao Bay and Tablas Strait, hence, ideating itself as part of the Premier Tourism Triangle together with Boracay and Palawan;

“WHEREAS, it is evident that at this present time Bulalacao is way better from how it used to be, from different infrastructures and road development to having its own RoRo Port, the municipality is clearly fast-approaching in excelling to tourism and trading industry;

"WHEREAS, the Local Government of Bulalacao is humbly asking the Maritime Industry Authority (MARINA) to acquire additional shipping lines and/or RoRo vessels operating in Bulalacao Port that would not only accommodate convenient trips to different locations but could also open possible trading and business opportunities to the municipality as a whole; Now, therefore, be it...
